MYSORE STATE LIFE INSURANCE.

Circular No. 24, *dated* 14*th December* 1895.

To the Heads of all Departments—

It having been brought to the notice of the Insurance Committee that notwithstanding definite instructions conveyed in this office Circular No. 8, dated 7th March 1892, proposals are still submitted to this office in an incomplete manner without evidence of age or other necessary accompaniments, and that in many cases considerable delay has occurred in furnishing the requisite informations even though repeatedly called for by this office, the undersigned has the honor to inform that the Committee have, in the last meeting held on the 7th instant, passed the following Resolution :—

"With regard to the long delay on the part of proposers in furnishing evidence of age, &c., as reported by the Secretary, it was resolved that in the case of new officials their pay be stopped, and in the case of old officials their proposals be rejected, if the requisite information be not furnished within a reasonable time, say six weeks from the date of requisition by the Secretary."

Heads of Departments are therefore requested to see that in future all proposals are submitted in a complete manner and that, in cases where evidence of age, *viz.*, original horoscopes or copies thereof duly attested by a Magistrate, or statements of two respectable persons, are not immediately available, such evidence is furnished to this office within the time prescribed in the above resolution, as otherwise rejection of the official's proposal, if an old official, or stoppage of his pay, if a new official, will be the result.
